Dear Bro. Chalk:

In preparation for your coming "week-end" meeting with us on June 10 and 11, we would like a picture suitable to use in newspaper advertising.

We are looking forward with great anticipation to your visit with us and are planning great things for those two days. Further correspondence from our elders with regard to schedule will follow shortly.

If you have any information which will be helpful in our advertisement, we would be most grateful to receive it.

In Christian love,

*Mrs. Ralph King*

Dear Sister King:

Thank you for your letter of May 15. Since Brother Chalk will be out of his office for a few days, I will comply with your request. Enclosed is a picture and some biographical material which I hope will be satisfactory.

Brother Chalk is also anticipating his week-end meeting with you in Kingston. I hope you all have a pleasant and profitable feast together.

Sincerely yours,

Helen McLeod

Dear Sister King:

Since sending you the picture and biographical material on Brother Chalk, I have been in contact with him again by phone and he asked me to write you again and request a favor. Would you send him a list of the scheduled services that have been planned for the week-end meeting of June 10-11? He would like to know how many engagements are planned and what time they will be held, and any other information that will be useful to him in making his preparations.

Please send this information to
